Heart beats faster and promises How can I love when I'm afraid to watch you stand alone
All of my doubt Suddenly goes away
How close I have died every day waiting for you
Darling, don't be afraid I have loved you for a thousand years
I'll love you for a thousand more
Time stands still
Beauty in all she is I will be brave
I will not let anything take away
What's standing in front of me
Every breath
Every hour has come to this
One step closer I have died every day waiting for you
Darling, don't be afraid I have loved you for a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
One step closer
One step closer I have died every day waiting for you
Darling, don't be afraid I have loved you for a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
